NO EXPERIENCE REQUIRED - HIRING IMMEDIATELY!

Blue Sky Smart Solutions has been recognized as DISH Network's #1 In-Home Service Provider for 5 consecutive years. We have been a leader in the industry for over 25 years and are looking for high-energy, Smart Home Service & Installation Technicians to join our winning team as we lead the Smart Home revolution.

Our technicians don't just install TVs. They're trained to offer personalized technology to customers while teaching them how to use and get the most out of the products they've purchased. And we don't stop there – high-speed internet, home security, and connected home technology are additional skills we train.

Do you have experience in construction, HVAC, or as a cable technician? Are you new to the business and looking for an entry-level opportunity? Do you have the drive to succeed and want unlimited earning opportunities? Apply today! We are hiring immediately!

Blue Sky Technicians have the following:

- High energy, resourcefulness, and ability to multi-task
- Intelligence to see opportunities to sell to every customer
- Need to achieve - perform On-Site Sales and offer Smart Home Services & Products to customers to enhance their overall viewing experience and promote smarter homes and simpler living
- Willingness to work flexible schedules including weekends, holidays and evenings
- Strong customer service skills; friendly, approachable, and motivated with a strong work ethic and high degree of integrity
- Ability to Install/upgrade cutting-edge technology – relocate power, place mounts, satellite dishes, televisions, routers, cameras, receivers, whole-home connectivity technology, and many more products/services
- Sales, electrical, construction, maintenance/repair, cable, military, and/or customer service experience are a plus

Requirements:

- Must have a valid driver's license and pass periodic MVR check
